19/01764/F	Single storey extension to side and rear including alterations. 84 The Causeway Stow Bridge	Support
No application submitted to date	Proposal for a residential development at land adjacent to 195 The Drove, Barroway Drove  The Parish Council were asked:  <i>The proposal will provide new housing which is a community benefit in its own right. However, to further promote the development as a benefit to the local community we would like to include within the scheme a contribution or a piece of infrastructure which would be of benefit to not only the future occupiers of the site but the wider community of Stow Bardolph. Can the Parish Council advise what they would like to see as an improvement or benefit to the area which could be delivered or funded by the development?</i>	The Planning Working Group feel that any suggestions for improvements or benefits to be included in this application should come directly from residents and therefore recommend directing the applicant to Barroway Drove Social Committee, who they feel are in a better position to advise.
