

Do you know any Norfolk residents aged 65 or over who are currently experiencing financial hardship? We operate the [Norfolk Assistance Scheme](#) (NAS) in partnership with Age UK Norfolk and Age UK Norwich to help residents aged 65+ get support and financial assistance for food, energy, water and other essentials.

If you know of anyone who could benefit from the scheme, please encourage them to apply for support. They can do so - either themselves or through another party, such as through Age UK or via a carer or family - online at www.norfolk.gov.uk/NAS or by calling 0333 996 8333.
